Dear Ms. Burl:

In accordance with Section 4(D) of the Louisiana Public Service Commission's ("LPSC") General Order issued on March 9, 2015, in Docket No. R-33390 (Rules Applicable to Common Carrier Petroleum Pipelines), EPL Pipeline, L.L.C. ("EPL") hereby submits for filing the following oil pipeline tariff:

EPL Pipeline, L.L.C. LPSC Tariff No. 3.8.0, Cancels EPL Pipeline, L.L.C. LPSC Tariff No. 3.7.0

EPL is filing EPL Pipeline, L.L.C. LPSC Tariff No. 3.8.0 to increase its rate with respect to the pipeline segment from Mount Point B, South Marsh Island Block 215, Offshore Louisiana to Lighthouse Point A, South Marsh Island Block 207, Vermillion Parish, Louisiana. This rate increase is in accordance with the "Notice of Annual Change in the Producer Price Index for Finished Goods" ("Notice"), issued by the Commission on May 17, 2022, in Docket No. RM93-11-000, and the tariff rate indexing provisions of 18 C.F.R. § 342.3.

Please also find enclosed a \$50 check for the LPSC processing of tariff index filings, as well as two (2) additional copies of this letter and tariff filing. We respectfully request that these additional copies be stamped at the time of receipt with the LPSC's date stamp and returned for our records in the enclosed self-addressed return envelope.

I hereby certify that, on this date, copies of this letter and tariff filing were sent by First Class U.S. Postal Service, or other means of transmittal agreed upon by the subscriber, to all subscribers on EPL's subscribers list.

If you have any questions, please contact me at (202) 331-3197 or Vincent DeVito at (214) 420-7711.
